**RECEIVED**

**JUL 12 2016**

**PLANNING BOARD  
GRAFTON, MA**

To the Selectmen:

In regards to the subdivision on Wheeler Road, North Grafton, MA.

I live at 16 Wheeler Road. I was not notified by mail of the subdivision being planned. We are concerned about extra traffic, especially at the corner of Wheeler Road and Route 140, where there are already many accidents. We are also concerned about the heavy equipment destroying Wheeler Road, the increased sewer and water use, and the impact on our beautiful open spaces. The impact on our schools will be significant, as they are already crowded.

Please consider this comment at your meeting.

Sincerely,

Linnette Barlow Gill
